The Invest in Med programme aims at developing sustainable trade relationships, investments and enterprise partnerships between the two rims of the Mediterranean. Funded by the European Union, it is implemented by the MedAlliance consortium, which associates EuroMed economic development organisations (ANIMA, union of investment organisations), (ASCAME, union of Mediterranean chambers) (EUROCHAMBRES, union of European Chambers), and (BUSINESSMED, union of industrial federations). The members of these networks, as well as their special partners (UNIDO, GTZ, EPA Euroméditerranée, World Bank, etc.), gather a thousand of economic actors - mobilised through pilot initiatives centered on key Mediterranean promising niches. Each year, a hundred operations associate the 27 countries of the European Union and 9 Mediterranean partner countries. www.invest-in-med.eu
