Event Features

Conference

The conference gathers leading governments, manufacturers across F&B, Pharmaceuticals, Fashion, Finance, Tourism, Cosmetics, Ingredients, retail, supply chain and logistics leaders from Africa, Americas, Asia Pacific, Europe and the Middle East.

The programme will address the harmonisation of global Halal standards across manufacturing, supply chain and logistics to assure integrity of products to consumers around the world.

Cooking Theater

Home cooks will fire up the Cooking Theatre with live cooking demos of their favourite dishes using alternative halal ingredients. The challenge's ultimate purpose is both to re-enforce the culinary skill and knowledge of halal cuisines, as well as to introduce novel ingredients to create alternative halal ingredients. The theatre marks the big comeback of taste. Or rather, tastes: tastes that are new and powerful, to bring new "pleasure experiences"

Business Presentation Hub

Business presentation hub at the Halal Trade, Logistics and Manufacturing Expo offers attendees the chance to learn about the latest halal products and innovations from industry experts in a relaxed and friendly setting. Spread across 12 sessions, exhibiting companies will demonstrate their latest products and developments to the halal industry, live and in-person.
