Albania International Agriculture Fair

apr̄il 28-30 2026

Lushnj̄e,
Albania

NEW ERA OF EXHIBITIONS

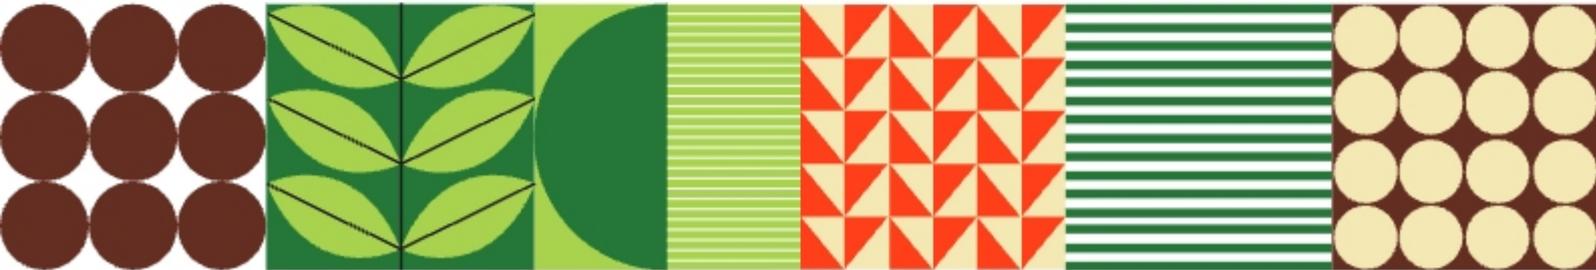

**CULTIVATE
THE FUTURE**

ABOUT THE FAIR

AGRICULTURE DAYS 2026 is Albania's premier international agriculture fair. Returning for its **jubilee edition** in Lushnje, this flagship event is supported annually by the Ministry of Agriculture and Rural Development.

Over three days, **AGRICULTURE DAYS 2026** brings together *industry professionals, producers, suppliers, researchers, and policymakers* to share insights, foster innovation, and build meaningful partnerships. Whether you are a farmer, entrepreneur, or researcher, this is the place where agricultural opportunities grow and collaborations flourish.

JOIN US & EXHIBIT AT THE MOST IMPORTANT
AGRICULTURE EVENT IN THE REGION.

AGRICULTURE DAYS 2026 FEATURES FIVE KEY EXHIBITOR CATEGORIES:

01

CROPS & LIVESTOCK

agricultural products, seeds, fertilizers, and livestock solutions.

02

MACHINERY & TECHNOLOGY

farming equipment, smart agriculture tools, and innovative technologies.

03

INNOVATION & SUSTAINABILITY

digital platforms, farm-to-market solutions, renewable energy, and eco-friendly practices.

04

SUPPLY CHAIN & LOGISTICS

solutions for storage, transportation, distribution, and farm-to-market efficiency.

05

INSTITUTIONS & NETWORKS

government bodies, producer associations, NGOs, research centers, and agri-tourism initiatives.

AGRICULTURE IN ALBANIA

FERTILE GROUND FOR INVESTMENT AND GROWTH

Agriculture has traditionally been one of the most dominant sectors with significant development potential in Albania's economy.

In 2024, the sector accounted for **15.5%** of the country's GDP, making it a key driver of economic growth and innovation.

WHY INVEST IN ALBANIAN AGRICULTURE:

STRATEGIC GEOGRAPHICAL LOCATION

quick access to regional and international markets.

ABUNDANT WATER RESOURCES

rivers, dams, and irrigation infrastructure.

FAVORABLE CLIMATE

suitable for a wide variety of crops year-round.

FLEXIBLE LAND USE OPTIONS

agricultural land available for rent from **10 to 99 years**.

EXTENSIVE ARABLE LAND

over **560,000 hectares** of cultivable land.

LARGE TOTAL AGRICULTURAL AREA

more than **1,900 hectares** for commercial and demonstration purposes.

ABOUT ICEBERG EXHIBITIONS

New Era of Exhibitions

Iceberg Exhibitions – a leading Trade Fair and Exhibition Organizer specializes in creating high-impact fairs that drive industry growth. Iceberg Exhibitions specializes in sector-specific fairs that connect businesses with the right audience, driving real opportunities for growth. We create targeted industry events that bring together key players, from innovators and investors to policymakers and buyers. With a focus on energy, construction, agriculture, technology, and tourism, our fairs are designed to foster meaningful connections, showcase cutting-edge solutions, and open new market opportunities. At Iceberg Exhibitions, we don't just organize events—we build platforms for business success.
