

Transnational GPP Network: First Joint Meeting

16 July 2026 - Online | 10:00-11:30 (CEST)

This first joint meeting marks the beginning of the GPP2ADRION Transnational Network, bringing together GPP Ambassadors, GPP Stakeholders, Project Partners and future Contact Points.

Building on the activities already carried out within the [GPP2ADRION project](#) - including the benchmark and gap analyses, the Capacity Building Programme and the stakeholder engagement process - the meeting will present the rationale behind the creation of the Network and the opportunities it offers to its members.

Participants will also be introduced to the proposed roadmap of activities for the coming months, including thematic online meetings focused on practical experiences and best practices in Green Public Procurement. An interactive discussion will allow participants to comment on the proposed programme, suggest additional topics and share ideas that will contribute to the future
